ABOUT ME

Dedicated and hard-working as a CSE student with a passion for programming and strong English skills. Exceptional in communication, problem-solving, and time management. Proven organizational and leadership abilities, comfortable in high-pressure environments. Highly detail-oriented and effective in managing tight deadlines, eager to apply technical knowledge and teamwork skills in a professional setting.

OBJECTIVE

To secure and bring new technology web development where I can apply my knowledge of HTML, CSS, JavaScript, React and various framework skills to create innovative projects and ideas, and explore the web world within a dynamic team environment.
